Sounds good. The new RVP will not be there on Thursday. Do you have an agenda for our meeting? I want to be prepared.

The Apple version was tested over the weekend and approved. GeoPal will launch tomorrow. I will get with Victor and Raul to provide instructions. Also, it is my understanding the SP templates are ready also.

Hi Steve

Thursday's schedule is 9:30 with you, Katie and me; 10am with Aileen; and Statview convo starting at 10:30 (with or without Aileen, though I don't think she needs to be there). I'm ok if you want to bring the new RVP in at 10am with Aileen, but I would like some time in the beginning with just you.

Thanks

Ellen

I'm forwarding official job offer to the new RVP on Monday. Are you okay if he attends the meeting on the 22nd? I'm not at liberty to announce the name yet but will be next week.
